Re: MURs 4322 and 4650

Dear Mr. Kappel:

I received the joint Statement of Designation of Counsel signed by both D. Forrest Greene and Enid Greene. In our telephone conversation earlier today, you advised that, although Mr. Greene had received his reason to believe notice on July 3, 1997, your other clients, Enid '94, Enid '96, and Enid Greene had not received theirs. You also advised that you would accept service on their behalf and that you intend to file a joint response to the notices and the subpoenas. You further requested that, although Mr. Greene's response would be due on July 23, you be given 20 days after service of the notices to you to submit your joint response.

I am enclosing copies of the reason to believe notices and the Factual and Legal Analyses for Enid '94, Enid '96, and Enid Greene. A deposition and document subpoena is also attached for Enid Greene. Accordingly, your joint response is due on July 28, 1997. Please note that the Office of the General Counsel takes this course with the understanding that you will be responding to the subpoenas and the reason to believe notices and do not intend to file a motion to quash or modify the subpoenas.

Please feel free to contact me at (202) 219-3690 with any questions you may have regarding this matter.

Sincerely,

Kamau Philbert
Attorney
